

Read Now™ Power Up!™

Technical Requirements

We host your software on our servers, eliminating the need for you to purchase, install, and maintain server hardware and software. In addition, you'll receive secure student information storage in our state-of-the-art data center, your records will be backed up regularly to ensure data integrity and our technicians will continually optimize your software for peak performance at all times.

Although the application may be accessible with lower-end computers, Renaissance Learning recommends the following minimum configurations for an enjoyable user experience.

Read Now™ Power Up!™ Installation

Install Type	Hosted Only by Renaissance Learning, Inc.
