## About This Correlation

---

The letters in each of the cells in the reading and language sections of this correlation refer to the reading level of the materials being correlated. All materials in this correlation are appropriate for adult learners. Reading levels are as follows:

Learning 100® reading levels					
AA	1.0 – 2.5	DA	4.0 – 5.5	GA	7.0 – 8.5
BA	2.0 – 3.5	EA	5.0 – 6.5	HA	8.0 – 9.5
CA	3.0 – 4.5	FA	6.0 – 7.5	IA	9.0 – 10.5

The numbers after the reading level designators refer to the lesson number(s) in which the skill is presented.

## About the Correlated Materials

---

*Learning 100* is a complete integrated language system. See the back cover for a complete description of this system.

All of the following programs are components of *Learning 100*.

*Language Clues* is a comprehension program that builds vocabulary through word-attack, usage, dictionary, context clues, spelling, and cloze exercises.

*Reading Strategies* is a total comprehension program that utilizes a controlled vocabulary and a holistic approach to help students become better readers.

*Write and Read* improves student's competency in language through reading and writing activities. Students work to master skills related to grammar, mechanics, usage, style, and paragraphing.

*Writing Strategies* is a unique program that teaches and utilizes the writing process while integrating reading and writing skills.

*Go Books* are anthologies that contain both fiction and nonfiction reading selections dealing with a wide range of real-life situations.
